

ANNUAL REPORT

FISCAL YEAR 2021

(JULY 2020 - JUNE 2021)

A YEAR IN REVIEW

2021 marked Adriel's 125 year anniversary caring for children. What started as a Mennonite Orphan's home 125 years ago has evolved into the Adriel we know today which now offers a variety of services in support of the holistic well-being of children.

Adriel has been extremely blessed to have donors and supporters that have remained loyal and generous amid the hardships that the pandemic has presented over the past 2 years. This support has empowered Adriel to continue to grow. This growth can be observed through the number of youth served, the continued and increased financial support of donors, Adriel's successful financial audit, clean Ohio Department of Jobs and Family Services audit, re-accreditation through the Council On Accreditation, and full Teaching Family Association accreditation - now including Adriel's Family Preservation programs.

With your continued support, encouragement, and prayers, Adriel will continue to strive to provide quality care for children and families in the spirit of Christian love as they have for the past 125 years.
