# Choose the Impact of Your Donation

We know that making a donation to a charity is not a decision taken lightly. Each donation is made with love and generosity. And we know how important it is to find an organization that shares your values and has a mission that you can stand behind. Adriel is so grateful each time you choose Adriel and the foster youth and families that we serve. We want to guarantee that your money is allocated to the programs and services that you are most passionate about. We have reorganized our designated funds to be more transparent and easy to understand. If you make an undesignated donation, your gift will be considered part of our general fund - these donations will be used in the capacity they are needed most. However, if you are particularly passionate about a certain mission, you may designate your gift to the corresponding fund. Our new funds have been reorganized as follows:

## Kids Fund

Sustains ministries that directly benefit the children Adriel serves in our foster care program and marks Adriel's efforts to care for the physical, socialization, and developmental needs of children.

## Foster Family Enrichment

Sustains ministries that equip and empower Adriel's foster parents to provide foster children the highest quality care and treatment.

## Program Development Fund

Supports new and emerging initiatives to expand Adriel's programs and ministries.

## Capital Projects Fund

Sustains Adriel's current and future capital needs.

## Family Preservation Fund

Sustains ministries that serve children and families through Adriel's Family Preservation Program, including family coaching and supervised visitations.

## Clinical Services Fund

Sustains ministries that serve the psychological and behavioral wellbeing of children and young adults in Adriel's programs.

Thank You!

# *Witness God's Plan in Motion through 4 Generations, 2 Adriel Foster Families, and 1 Home*

When Tim and Linda Skaggs purchased a home from Tim's parents over 30 years ago, Linda prayed that the Lord would allow the property to serve children in need. Little did she know, her own daughter and son-in-law, Lauren and Paco Camacho, would move into that home, become licensed with Adriel, and care for foster children.

Fast forward to the present when the Camacho's were ready to downsize into a smaller home. They wanted to honor Linda's wishes and allow the house to continue to serve foster families so the Camachos posted in a social media group that they were looking for a family to rent their home at a discounted rate. And the family that responded - the Tucker's - are fellow Adriel foster parents!

Lauren Camacho reflects on this beautiful connection and love, "How incredible is it to think God already knew each individual child that would come through our homes! He had a place prepared for each of them over 30 years ago, with a faithful prayer, from the heart of a mother. We are excited to watch Him work and see what else He has in store!"

The house serving as a blessing to 2 Adriel foster families and many foster youth.

*4 generations  
with the heart  
to serve children*

The Tucker's continue the legacy of the Skagg family by caring for foster youth in their new home.

# What Does Foster Care Mean to Me?

This winter, Adriel held a contest for foster youth or their siblings to submit artwork depicting what foster care means to them. These photos are a glimpse of some of the beautiful artwork that was received and featured in our 2021 Adriel Calendar.

Adriel serves 44 counties throughout Ohio. Visit our website at <https://www.adriel.org> and keep up to date with us on our Facebook page at [www.facebook.com/Adriel.Inc](https://www.facebook.com/Adriel.Inc).
